EXPERIENCE

IUPUI | RESEARCH ASSISTANT

Aug 2016 - now | Indianapolis

Conducting research to study the impact of color on map visualization for Web based interfaces using user studies. Designed the user interface to load the visualization and test it using different cognitive tasks.

DELOITTE USI | BUSINESS TECHNOLOGY ANALYST

Aug 2014 - July 2016 | Mumbai, India

Analyzing and accessing the business value of requirements and providing QA services for US health-care and welfare programs. Designing screen mockups and workflows, and creating test scripts and test cases on Integrated Eligibility and Medicaid Interfaces. Performed Usability testing for the client portal and self-service portal

SHRADDHANAND MAHILASHRAM | WEB DEVELOPER - INTERN

Dec 2013 - Jan 2014 | Mumbai, India

Translated requirements into workflows and designed user interface for NGO to create an online presence for the organization. The website was created using JQuery, Javascript and CSS.

PROJECTS

PETPAL | UX DESIGNER

Aug 2016 - Dec 2016 | IUPUI

Designed an application to act as a portal for pet sitters and pet owners. Led contextual inquiries and user interviews to gather data and drive design decisions. Created and evaluated prototypes to conceptualize design.

DOUBLEMAP - USABILITY EVALUATION | UX RESEARCHER

Aug 2016 - Dec 2016 | IUPUI

Conducted usability tests and user study to analyze the user experience of DoubleMap mobile application. Improved usability of 3 existing features by recommending designs after synthesizing the data gathered from user studies.

AAKASH SOFTWARE DEVELOPMENT | APPLICATION DEVELOPER

Mar 2013 - Aug 2013 | IIT Bombay

User Interface designer for an android application that was designed to run on government promoted tablet designed for school students across the country. The application focused on collaborative education via mobile devices.

ENTHUSIA - COLLEGE SPORTS EVENT | UI DEVELOPER

Jun 2012 - Dec 2012 | VJTI, Mumbai

Front-end and visual designer for an android application that provided schedule and results of annual college sports festival. First university application of its kind that catered to more than 300 students.
